Digital Literacy Awareness

What is Digital Literacy?

- Digital literacy is the ability to use digital tools, devices, and the internet effectively and safely.
- It includes skills like searching information, communicating online, and protecting personal data

Useful Digital Tools for Students

- Google Docs – for notes and assignments
- GitHub – for coding and project storage
- Canva – for presentations and designs
- Google Drive – for cloud storage
- Zoom/Meet – for online classes

Professional Online Presence

- Create a LinkedIn profile
- Keep profiles clean and professional
- Share achievements and skills
- Use a proper profile photo
- Avoid inappropriate posts

Email Etiquette

- Use a clear subject line
- Start with a polite greeting
- Keep message short and formal
- Avoid slang/emojis
- End with proper sign-off

Safe Internet Practice

- Use strong passwords
- Do not share personal information
- Avoid suspicious links/emails
- Enable 2-factor authentication
- Keep software updated
